- (1) Your group's benefit period is based on a Contract Year. The Contract Year is a consecutive 12-month period beginning on your employer's effective date. Contact your employer to determine the effective date applicable to your program.
- (2) The Network Total Maximum Out-of-Pocket (TMOOP) is mandated by the federal government. TMOOP must include deductible, coinsurance, copays, prescription drug cost share and any qualified medical expense.
- (3) Services are provided for acute care for minor illnesses. Services must be performed by a Highmark approved telemedicine provider. Virtual Behavioral Health visits provided by a Highmark approved telemedicine provider are eligible under the Outpatient Mental Health benefit.
- (4) Services are limited to those listed on the Highmark Preventive Schedule (Women's Health Preventive Schedule may apply).
- (5) Highmark Medical Management & Policy (MM&P) must be contacted prior to a planned inpatient admission or within 48 hours of an emergency or maternity-related inpatient admission. Be sure to verify that your provider is contacting MM&P for precertification. If this does not occur and it is later determined that all or part of the inpatient stay was not medically necessary or appropriate, you will be responsible for payment of any costs not covered.
