This summer, take advantage of their nationally recognized virtual program, [Camp Kinda](https://www.campkinda.org), which offers over 350 hours of engaging, enriching adventures for kids aged 3-13. Explore history's greatest mysteries or discover the secrets of the rainforest. Visit www.campkinda.org and use the code LTM33 to sign up today.

LCI CORNER: MID-YEAR REVIEW PREPARATION

Can you believe it is already June? Between now and the end of July, you will have your mid-year review with your supervisor. To make the most of this time, it will be helpful to take some time and reflect on your performance. A performance review should be a collaborative process- not one sided. Here are some questions to ponder as you prepare for your review meeting.

When thinking about your vital few or job specific indicants outlined in your CIP..

1. What am I meeting or exceeding expectations? What is an example of this?
2. What are the gaps or further growth opportunities for me? What is an example of this?
3. What are one to two behaviors I want to focus on for the second half of the year?
